of Correction

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Re: Patent No. 7,131,836
Issued November 7, 2006
Andrew C. Kesling
BRACKET WITH BILAYER BASE CONFIGURED
TO PRODUCE A CONTROL VALUE
Case 815-1062.CIP

In proofreading the above patent, the following printing errors were noted:

Col. 3, line 48 - "tot" should be --to--; and
Col. 4, line 8 - "bracket 1" should be --bracket 10--.

It is believed that these errors are obvious and not such as to warrant the issuance of a certificate of correction, but it is hereby requested that this letter be placed in the file and become a matter of record in this case.

Sincerely yours,

Lloyd L. Zickert
